About Nepal

Nepal is an ancient country, with a great history in itself. Trapped in between the fertile lands of India and high plains of Tibet, this country has enormous diversity in the terms of culture, tradition, topography and ethnics. Formed with high Himalayas, grand rivers, valleys and deep gorges, this country is definitely a must visit one. Rare flora and fauna combined with the natural charm of peoples' hospitality, you get an experience like no other place can give you. Perhaps, no other country boasts what Nepal boasts within such a small geographical range. Come with us and enjoy the adventures to find peace in your heart and mind.

Things to do in Nepal

25% of the tourists coming to Nepal choose to trek in the most adventurous places of the country. Himalayan regions are considered the best places to trek, because they give the trekkers what they for- fun, thrill, excitement and finally a challenge. Everest Region, Langtang Region, Annapurna Region and many other trekking regions are filled with views of not only Spectacular Mountains, but also stunning landscapes. On our way, we often encounter ridges, valleys, moraines, deep forests and rivers, all of them contributing to make our trekking even more interesting. From weeklong trekking in Langtang region to 24 days long trekking in Dolpo region, we are always there to help you.

Trekking in Nepal

Cultural Tour in Nepal

The cultural tour gives the tourists a taste of Nepalese hospitality, culture and tradition which is mostly different in each parts of the country. Sacred pilgrimages are carried out in historical and culturally important sites. Nepal is rightfully known as a country of culture. There are many cultural and religious heritages that many pilgrims regard as sacred. For instance, Pashupatinath for Hindus and Lumbini for Buddhists are among the must visit places in list of pilgrims. We also carry out cultural tours for you in villages, where the originality remains intact. Nepal is a multi-ethnic, multi-linguistic and multi-cultural; a country of great diversity. And that is why; you must come to Nepal on cultural tours.

World Heritage Sightseeing

Nepal has 10 UNESCO world heritage sites. And 7 of them lie in Kathmandu. Noble Treks presents you with the opportunity to go through the ancient Nepalese culture and tradition. This Sightseeing tour will take you to Durbar Squares, Changuanarayan, Boduddhanath, Swoyambhunath and Pashupatinath Temple. In this tour, you will see the only living goddess in the world-Kumari, pagoda style temples, and the most famous five-storied Temple. And on the way, you will observe the traditional Newari culture, mostly.

Village Tour

Village tours of Nepal offer you the opportunity of living in the typical Nepalese villages. You home stay in the houses that are of the traditional Nepali design and engineering. You will also get the chance to interact to those villagers through our guides. Those villages are completely out of the effect of modernization and you get a chance to have a unique experience of the unique tradition of the villagers. You will eat what the villagers have, and what they produce in their lands. Come and enjoy the typical Nepali cuisine: Dal, Bhat (curry and rice) and Gunduk, Dhindo.

Rafting / Kayaking

Nepal is the world's second richest country, in terms of the water resources. Nepal has nearly 6,000 rivers and rivulets. There are a handful number of rivers to choose from for rafting. Some of the most popular rafting and kayaking rivers of Nepal are Bhote Koshi, Balephi Khola, Kali Gandaki, Karnali River, Marshyandi, Seti River, Sun Koshi, Tamur, Trishuli and many more. Nepal has the rivers of various grades, from 2-3 for novices to grade 5 for professionals. The rivers of Nepal have earned a reputation as one of the best white-water rafting around the world.

Bird Watching

Nepal has 867 species of birds and many of which are endangered not only in Nepal but in the whole world. These birds make 8% of the world's total species of the birds. Among these many species, 35 of them are globally threatened. Shivapuri Watershed, Koshi Tappu Wildlife Reserve, Chitwan National Park are some of the best places to enjoy bird watching.

Bungee Jumping/ Canyoning

Bungee Jumping in Nepal was first started in Bhote-Khosi River, at height of 160m from the river. The site is one of the best bungee jumping sites in the world. The jump is obviously thrilling, and jumping towards a fast flowing wild river with ropes tied on our legs and waist, we will have a life-changing experience. A plunge towards this scary tropical gorge will also give you an incredible (and upside down) view of the Bhote Kosi River. Adrenaline rushes through our body, we go into free fall and everything else blurs as we go through the jump.

In canyoning, the adventurer has to walk, slide, climb and swim at the same time to get from the starting point to the ending. While many of the people find it mind refreshing, other people also consider it as an amazing activity that gives us pure and lively fun.

Helicopter Tour

Noble Treks presents you with the Helicopter tour. The helicopter tour/trek can be run to shorten the trips. Otherwise, it might have taken longer time. In Nepal, Helicopter tour is running in different parts of the country. Some of the most popular Helicopter Tours are Everest View Heli-tour, Langtang valley Helicopter tour, Annapurna Heli tour and Chitwan wildlife heli-tour. A number of days can also be spent on Heli-tour in the splendid Himalayas of Nepal. Everest Heli-tour gives you the aerial view of the world's tallest peak and you definitely do not want to miss a delightful thing such as this.

Paragliding

Have you ever dreamt of flying like a free bird? - There is paragliding to make you experience what you desire. If you love adventure, answer to most of your questions will be fulfilled by paragliding. In the last few years, many paragliding routes have been discovered. Surket, Dailekh, Kalikot are one of those. However, Sarankot still remains the most wanted paragliding place of Nepal. It is mainly because of stunning view of three of world's highest mountains that have more than height of 8,000m- Dhaulagiri, Annapurna and Manaslu. And on top of all that, one can have a glamorous view of Pokhara valley too.

Noble Treks is undoubtedly here to make your holiday count. Apart from all of these activities, we help in doing Mountain Biking, another popular adventurous activity. We also organize home stays, where you get to learn in person.

We also have many other specialized religious tours that take you to most important religious destinations. We at the same time, care more than anything about the comfort of our guests, which we make possible by highest standard of hospitality, well experienced guides and ever enthusiastic workers at our company. Come with us to make your holiday count.
